Peugeot 504 Range—

the Great Estates

504 GR Inside the 2 litre GR, comfort is the keynote. The 504 gives you comfort in style, as well as a huge load capacity. For those who need to tow a boat, caravan or horsebox, the 504 copes with up to 1½ tons (1500 kg) and takes a payload of 1477 lbs (670 kg).

The 504 GR — the sumptuous Estate for the price of an ordinary saloon.

504 The 1800cc 504 Estate proves that big with Peugeot does not mean expensive. With the same giant 64 cu ft load capacity as the GR, the 504 runs on 2 star petrol.

The 504 — Spacious, versatile, economical.

The 504 Estate Range —

all the choice you could wish for

With the 504 range, you have the choice of three styles, the eight-seat Family, the sumptuous GR and the rugged 504 1800. On the 504 GR and Family Estates, you can also opt for automatic transmission. Finally, there is also the choice of diesel power on the 504 and Family versions, for real high mileage economy.
