METALLIC GRAY WITH RED INTERIOR

Where spray can't reach, Peugeot's electrophoresis process can, bringing its primer coat to every 'impossibly' hard to reach nook 'n cranny thru electrolytic action. Other 504 superiorities are evident in the superb upholsteries... Basketweave self-cooling Leatherette. In fine features like the padded doors, and the general craftsmanship of the trim, which is only right. The best should look it!

PEUGEOT
