4" flush mounting speakers, Co-axial speaker with inbuilt woofer and tweeter, 30W output with 4 OHMS impedance.

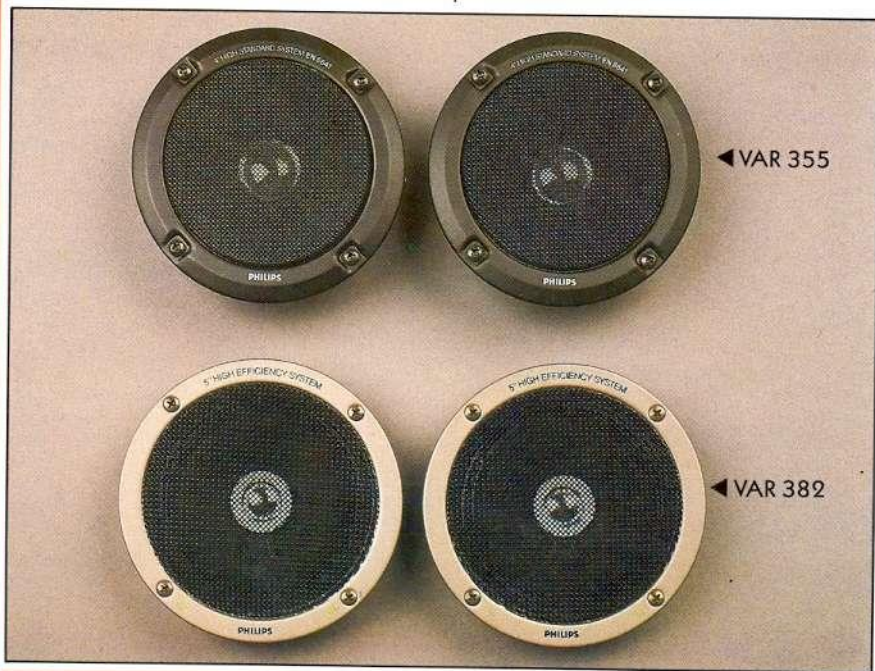

**VAR 388 ▲**  
2 way cross axial cabinet speaker for rear shelf mounting or side support mounting in hatchbacks. 4" woofer 2" tweeter with 30W output and 4 OHMS impedance.

◀ **VAR 355.**  
4" flush mounting, single-cone speaker has 8W output impedance 4 OHMS.

◀ **VAR 382.**  
5" flush mounting, double-cone speaker has 25W output with 4 OHMS impedance.

**VAR 390.**  
Universal 4 way balance control specifically designed to match the Peugeot/Talbot range of I.C.E.

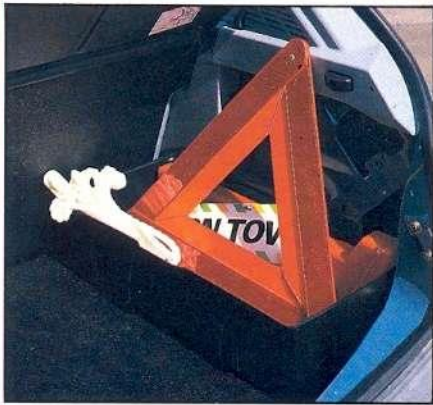

◀ **VAR 355**

◀ **VAR 382**

## TOWING

### ▲ BOOT TIDY.

Specially designed for Peugeot Talbot vehicles and made out of tough plastic, a boot tidy is the single answer to the problem of untidy boots securely fixed by Velcro strips, they are easily removable for transportation of oddments.

### ▲ FOOTPUMP.

You never know when tyres are going to let you down, so be prepared with one of these lightweight, easy action footpumps. Its integral pressure gauge, together with adaptor will inflate most pneumatic products, not only tyres.

### ▲ LUGGAGE BARS.

These easy-to-fit luggage bars are the discreet answer to carrying luggage on the roof. Tough and sturdy, they will fit most roofs and take loads of up to 50kg (110 lb) in weight.

### ▼ TOWBAR, TOWBALL AND TOWBALL COVER.

Hitch up the caravan or trailer and away you go with one of these specially designed Peugeot Talbot tow bar kits. Engineered to highest standards for maximum efficiency, safety, and reliability.

### ◀ TOWBAR ELECTRICS.

Complement your towing equipment perfectly with Peugeot Talbot towbar electrics. You can choose from two types of kit, a 12N Standard Kit with a single socket for back lights or a 12N + 12S kit with twin sockets to feed auxiliary electrics inside your caravan. Plug, socket and socket mounting bracket are also available separately if required.

### EXPRESS ROOF RACK ▶

Why make two journeys when you can carry your load in one? Increase the capacity of your Express van by fitting a roof rack. Specifically designed for standard or Hi-Top vehicles in heavy duty steel, they are easily fitted using a 10 point gutter mounting and have an integral grille to walk on whilst loading. A load ladder for climbing onto the roof is also available.

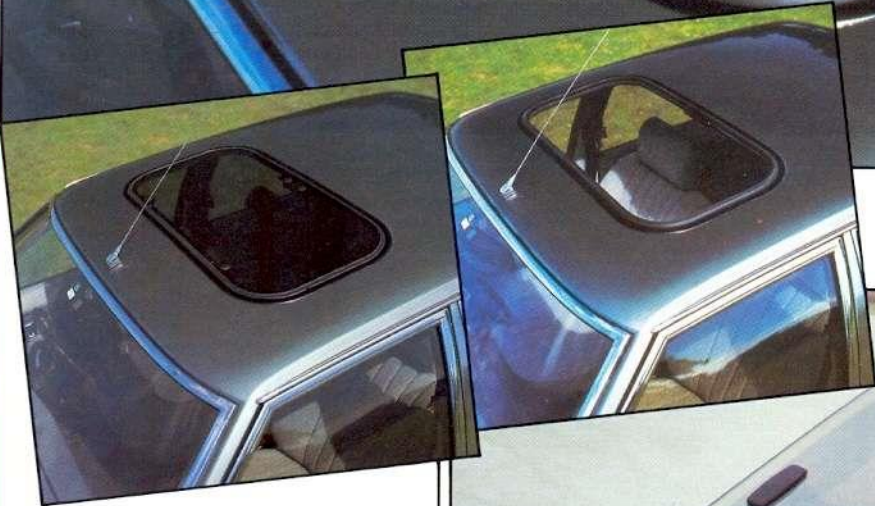

### ◀ ROOF RACKS.

When things won't fit in the car, hit the roof. This well designed, superbly constructed range of roof racks will take care of any excess luggage.

## TOURING

### SUNSTREAM ▲

When the sun's at its height, catch it in one of these high-quality, Sunstream roofs. In two sizes, medium and large, there's one to fit any Peugeot Talbot car.

### SUNSTAR ►

The luxury sunroof that outshines the rest. Its classy style, quality of manufacture and sporty appearance will bring a new dimension to any car.

### ◀ CARAVAN WIND DEFLECTOR.

Make towing less of a drag with this practical and easy-to-fit aid to towing efficiency.

## SAFETY AND SECURITY

### ◀ REAR REFLECTIVE DECALS.

Get yourself noticed from behind with a stylish, rear reflective decal. It's easy to fit and will keep you safely out in front when the treacherous winter months close in.

### ▲ CHILD SAFETY SEAT.

A unique seat design that will let children sit upright when awake and recline when sleepy. With its strong tubular frame and padded seat, it is suitable for any child between the ages of 9 months and 4 years and sits unobtrusively in the rear of any car.

### ▲ FIRE EXTINGUISHER.

An essential item for every driver, this 1kg extinguisher deals rapidly and effectively with all gaseous, petrol, oil, wood and electrical fires. It comes complete with mounting bracket and fixtures.

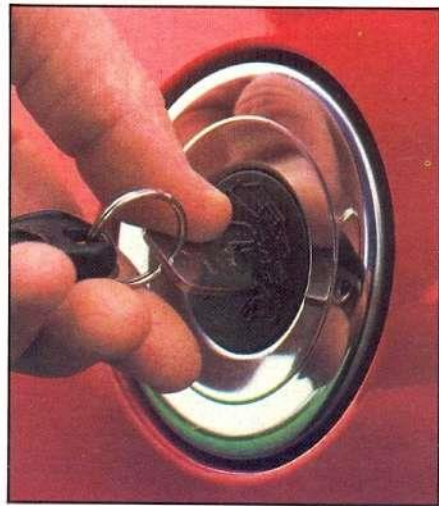

### ▲ REAR WASH WIPE.

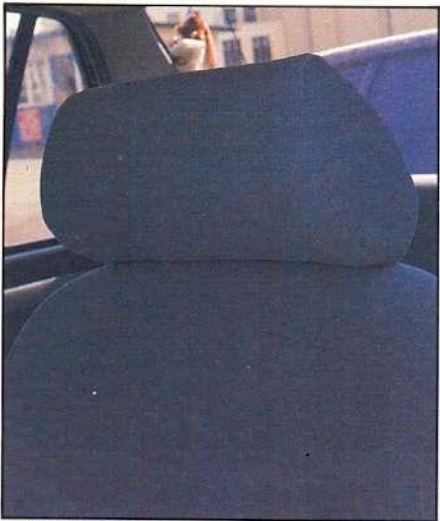

In bad weather, you need a clear view of what's going on behind you as well as in front. And that's why you should see your way clear to installing one of these rear wash/wipe kits.

### LOCKING PETROL CAP ▶

With the high cost of petrol these days a locking petrol cap is the only way to foil would-be thieves.

**▲ HEAD RESTRAINTS.**

Heads you win! An adjustable head restraint makes for safer, more comfortable motoring.

**▲ CARRYCOT RESTRAINT.**

A must for your baby's safety and your peace of mind. For infants up to 9 months old, it will keep any carrycot safe and sound. Easy to fit, easy to remove, and it packs away neatly when not in use.

**DOG GUARD ►**

Even a man's best friend can be a nuisance on the road. But thanks to this lightweight, durable dog guard all the little terriers will now be well secured.

**BOOSTER CUSHION. ▼**

Give the kids an extra lift. Designed for children aged four and over, the booster cushion enables them to use an adult's seat belt in complete safety and comfort.

**▲ SAFETY BELT DROP LINK.**

A simple, but effective way to lower the mounting point of front seat belts when and where you need to.

## FOG AND DRIVING LAMPS

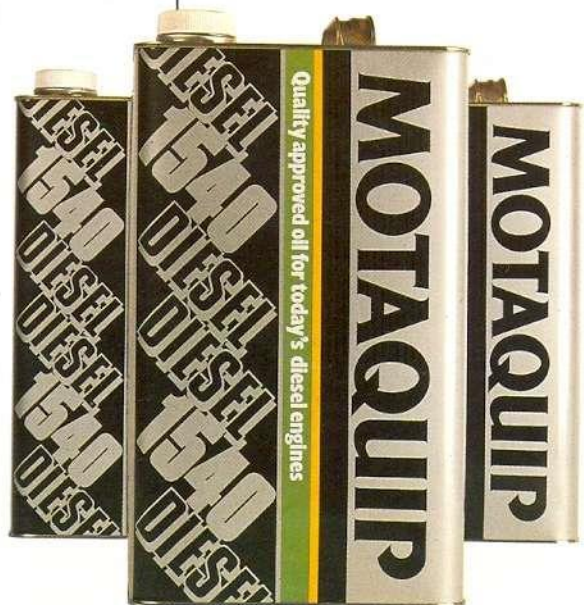

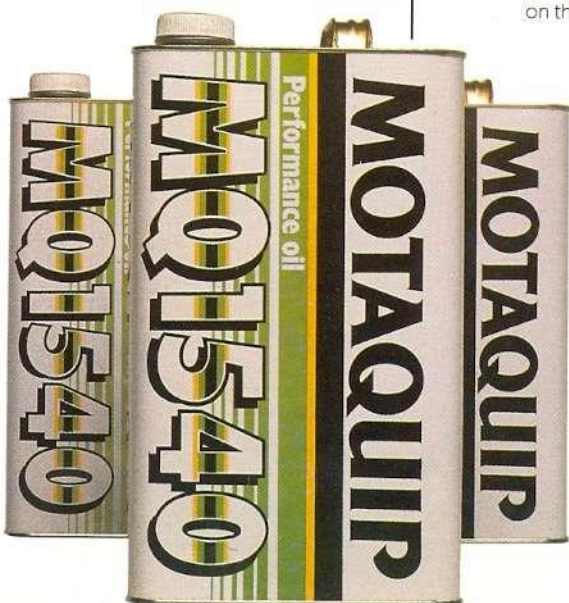

## OIL

◀ OIL.  
A range of high-quality oils to cover all makes of car on the road.

▲ FOG AND DRIVING LAMPS.  
A superb range of powerful Halogen fog and spot lamps, made to the very highest standards. A smart, modern design with a tough, easy-care black finish, individually packed.
