504

PEUGEOT

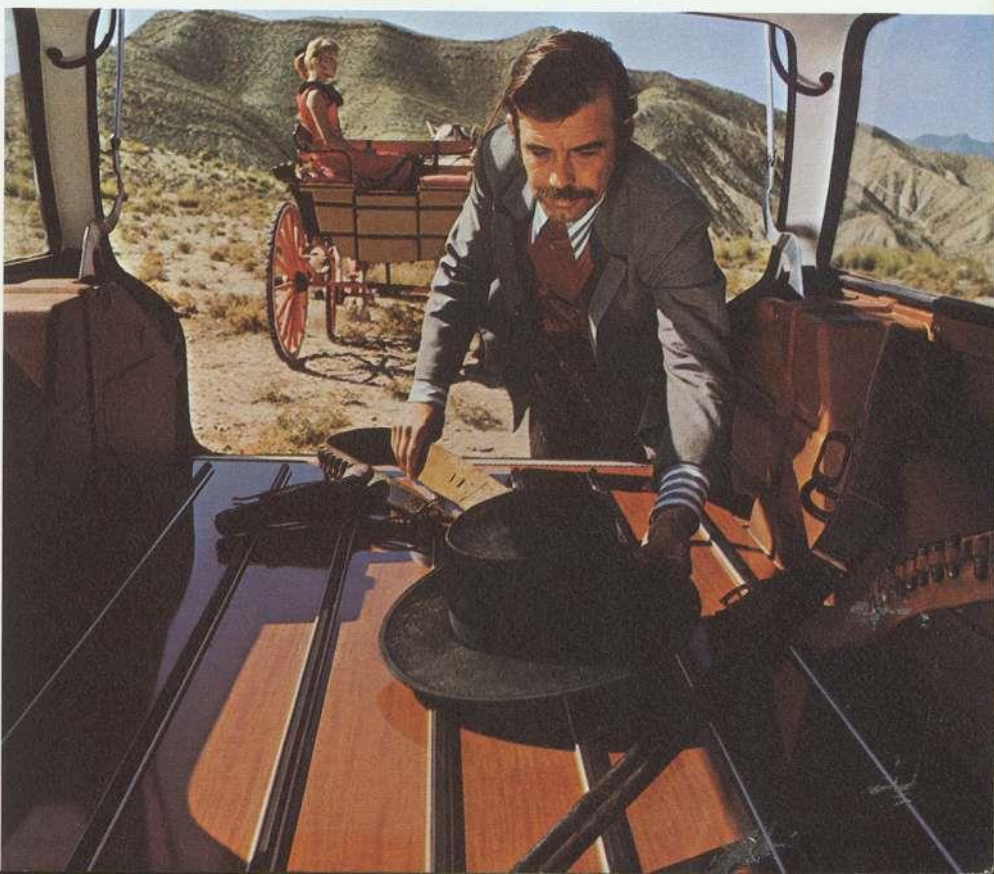

From the quality engineering and the body styling of the 504 Saloon, Peugeot have developed a range of estate vehicles, all with 5 doors, four for passengers, one for their luggage.

504 superluxe estate

The most elegant car in the estate range, the body is finished in metallic paint, the seats are upholstered in Teplene, and thick carpets are fitted front and rear.

This stylish car offers up to 67.1 cu. ft. of luggage space (with the rear seat folded flat), and the loading area is finished in laminated mahogany with protective rubber runners.

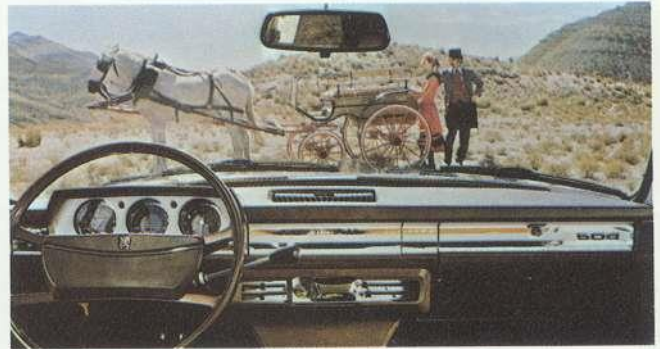

peugeot504.info

Individual bucket seats at the front with adjustable head rests. Arm rests on all four doors. Seats upholstered in Teplene.

Padded, anti-reflective safety dashboard. Lockable glove box and automatic interior lighting. Supplementary storage shelf.

Dashboard with three round dials incorporating electric clock. Spare wheel housed in an independent cradle located beneath the boot.

Wind-down windows on all four doors.

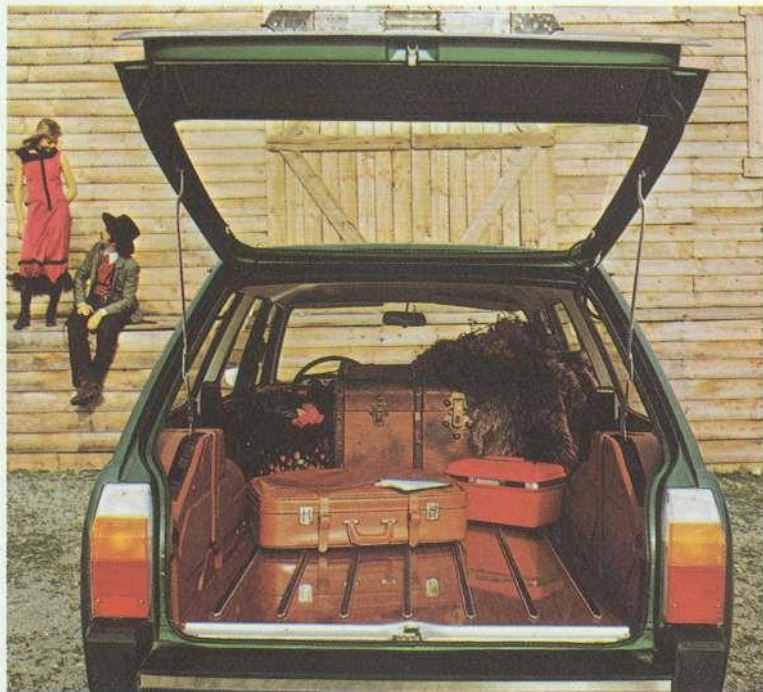

The front seats are adjustable and recline fully to form twin couchettes. Thick carpets fitted at front and rear.

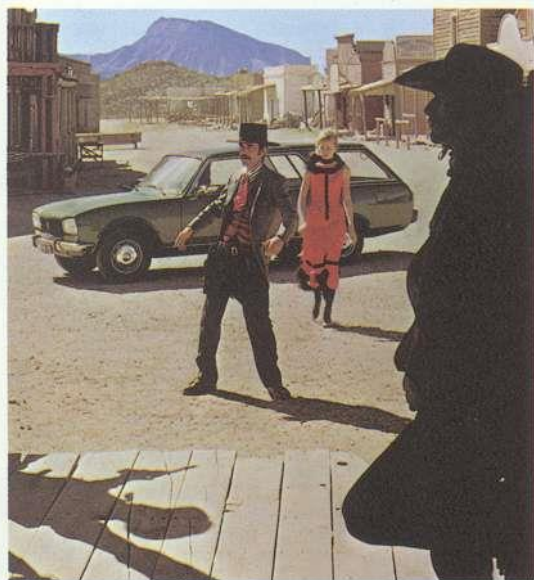

peugeot504.info

Luxury metallic
paint finish.
Heated rear window.

Rear tailgate.
Loading platform covered in laminated
mahogany with protective
rubber runners.

Actual loading volume of
between 41 and 67 cu. ft.
according to the position
of the folding
rear bench seat.

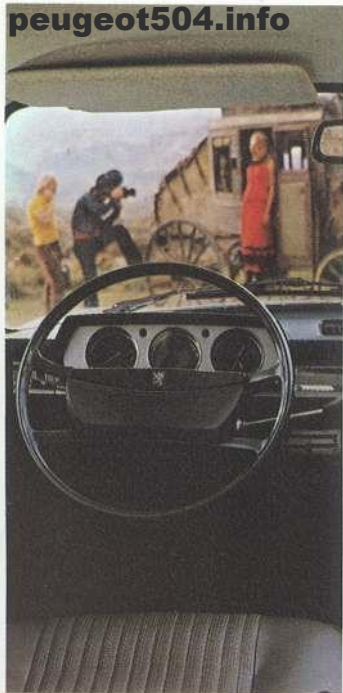

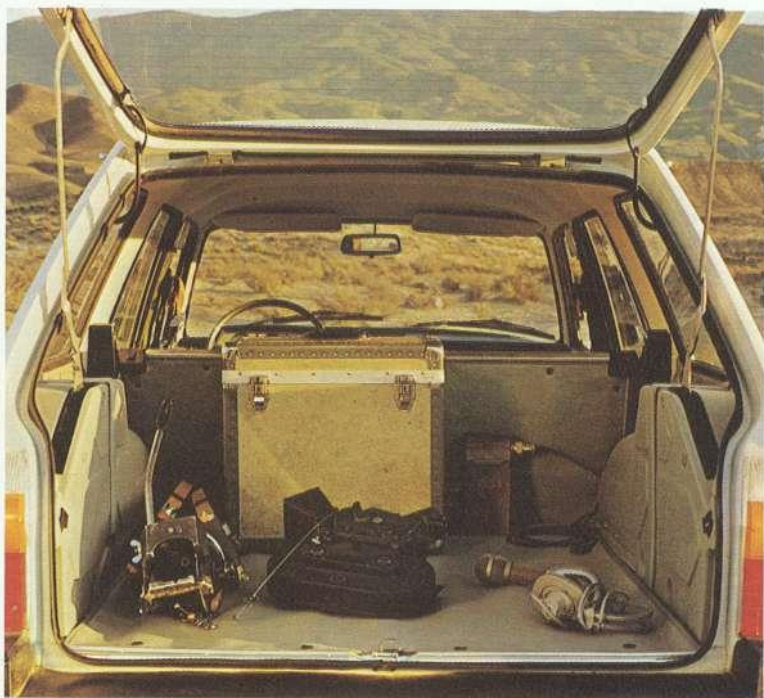

the **504** estate

The same styling as the Super-luxe Estate, the 504 Estate has the same engine and the same loading capacity. The seats on the 504 Estate are upholstered in washable, resistant Tepluxe.

4501 YY75

the **504** family estate

The Family Estate has the almost unique feature of three rows of forward facing seats, upholstered in cloth or Tepp-luxe. This car provides the ideal solution for large families, taxi cab owners, business executives, for anyone who needs to carry 7 or 8 people with their luggage.

peugeot504.info

Lots of room luggage,
loading area with
washable covering.

Rear tailgate,
with optional heated
rear screen.

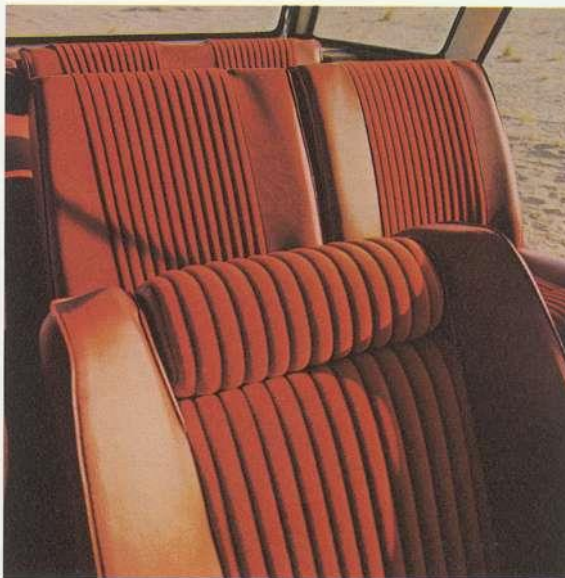

Wind down
windows on all four doors.
Child-proof locks
on rear doors.

Plenty of room
for 7 people.

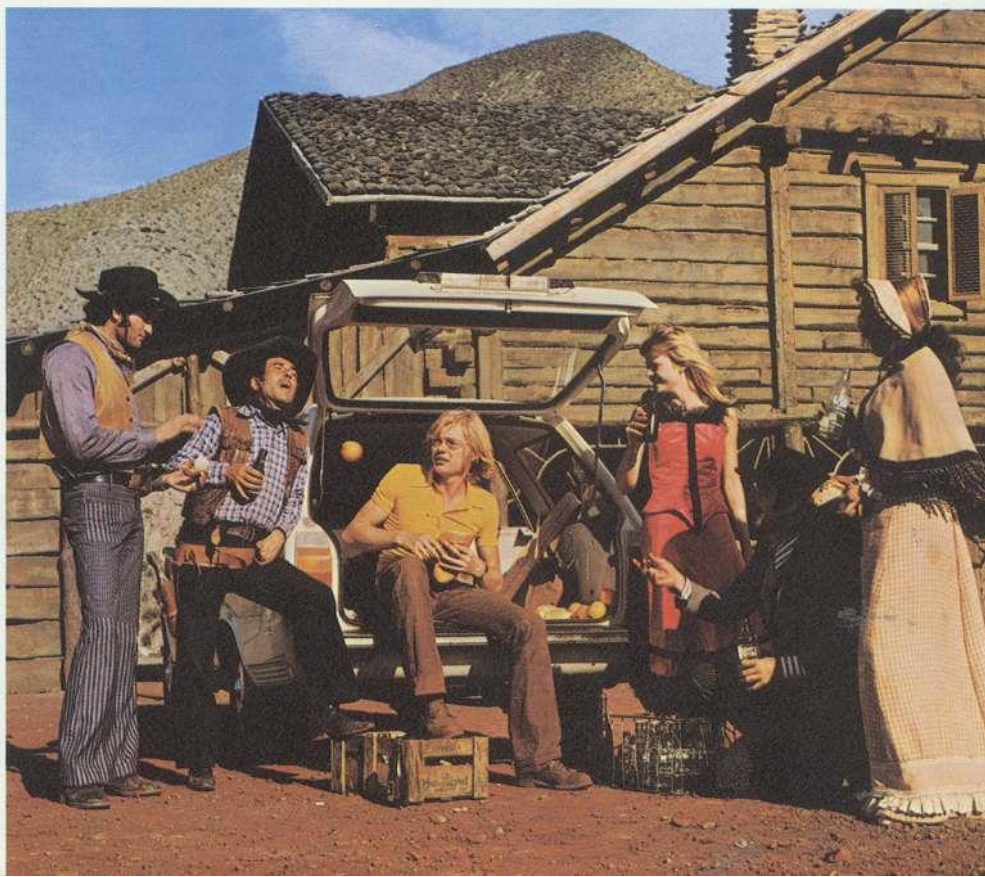

Seats upholstered in Tepluxe or cloth.
Adjustable head rests
incorporated into front
bucket seats.

the
504
comercial
estate

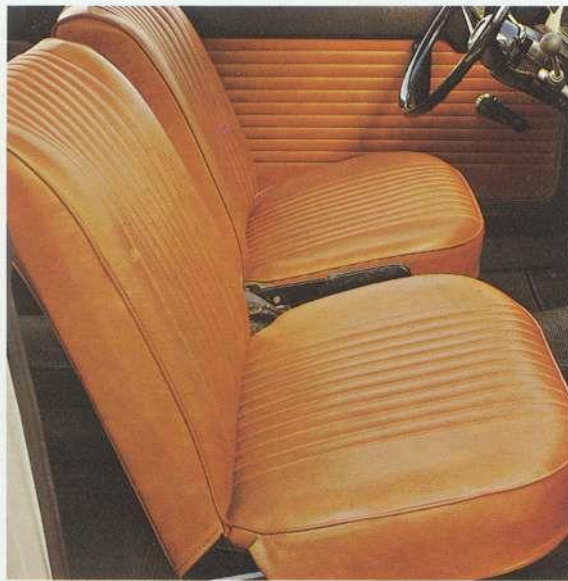

Two individual front seats, a folding rear bench seat, upholstered in washable Tepluxe, metal plated loading floor and reinforced suspension. The perfect vehicle for the tradesman, for anyone who needs a light vehicle to carry large loads.

peugeot504.info

Fold down rear bench seat, giving maximum loading space.

Individual bucket seats at the front and a bench seat at the rear, upholstered in washable Tepluxe.

Spare wheel located in a separate cradle under the rear floor.

Anti-reflective, padded safety dashboard

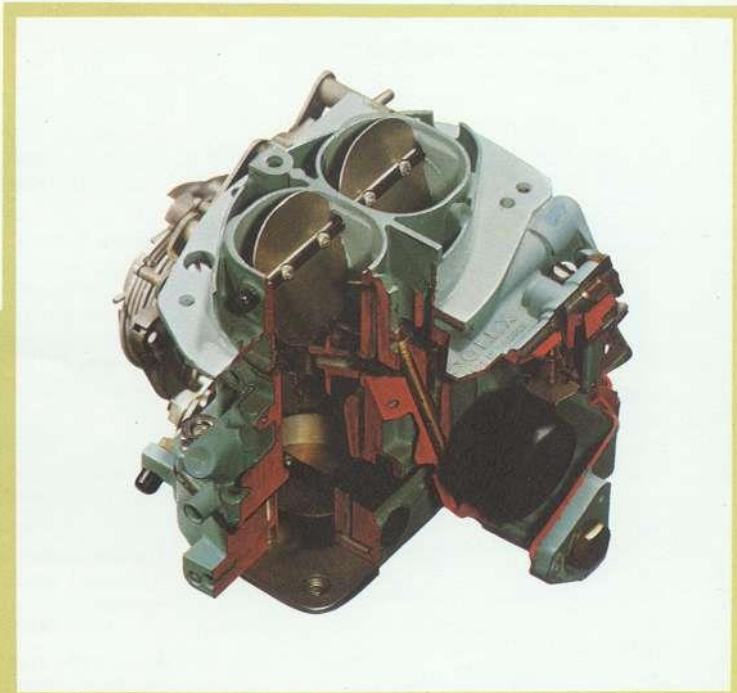

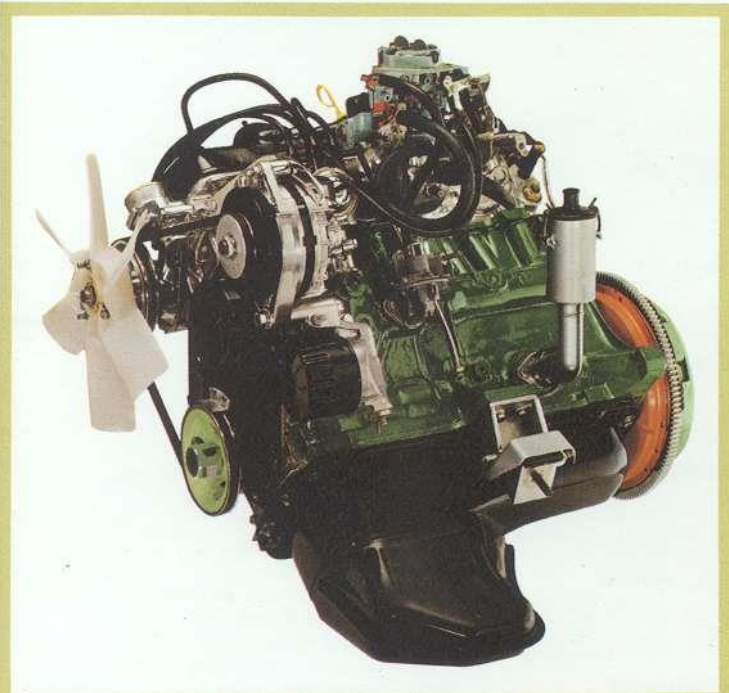

Plenty of room for 5 adults to travel in comfort.

Solex 32-35 SEIEA twin choke, compound carburettor with cold start flap, acceleration pump and econostat.

504 Estate outside measurements

general characteristics

Chassis and Generalities

Integral all-processed steel welded body anti-corrosion by electrophoresis
Twin locking hood locking mechanism
Curved side windows
Total window surface: 2.96 m² (approx. 31.8 sq. ft.)
Polished stainless steel bumpers
Overall length 4.80 m (approx. 15.75 ft.)
Overall width 1.69 m (approx. 5.56 ft.)
Height empty 1.55 m (approx. 5.08 ft.)
Loaded 1.45 m (approx. 4.75 ft.)
Carrying capacity:
Estate and Commercial Estate
1.150 m³ to 1.900 m³ (approx. 40.61 cu. ft. to 67.15 cu. ft.)
Wheel base 2.90 m (approx. 9.50 ft.)
Distance between front wheels: 1.42 (approx. 4.65 ft.)
Distance between rear wheels: 1.36 (approx. 4.46 ft.)
Maximum towing capacity (limited to authorized total weight)
1,300 kg (2,865 lbs)
Tank capacity: 60 litres (approx. 12.3 imp galls)

Carburettor Engines

4 Cylinder in line over square engine inclined at 45°
Common induction chamber cylinder head
Removable wet liners
rocker-arms in head
5-bearing crankshaft in forged steel

Estate Car and Family Estate

Estate Car, compound, double barrel carburettor
Bore stroke: 88x81
Cylinder capacity: 1971 cc.
Compression ratio: 8.35/1

Max. power SAE: 98 hp at 5,600 rpm
DIN: 93 hp at 5,200 rpm
Speed: 99.5 mph (160 km/h)
Automatic electro-magnetic fan (Peugeot patent)

Diesel Engines

4 Cylinder in line over square engine inclined at 20°
Light alloy steel cylinder head with swirl chamber
Removable wet liners
Valves, rocker-arms in head - 5-bearing crankshaft

Family Estate:

XD 90 engine, inclined at 20°
Bore-stroke: 90x83
Piston displacement: 2.112 cc
Compression ratio: 22.2/1
Real HP: DIN 65.1 at 4,500 rpm
Speed: 73.3 mph

Clutch

Verto 215 DBR diaphragm spring type, hydraulic control

Transmission gears

4 Forward synchronized gears and reverse

Automatic gear box

The Family Estate, (petrol engine), the Estate and the Superluxe Estate are available with automatic transmission (ZF automatic gear box with hydrokinetic torque converter).

Differential

Hypoid rear axle

Suspension

Independent front wheels
Peugeot hydraulic, double-acting telescopic shock absorbers and coil springs
Integrate front axle telescopic suspension
Front and rear stabilizer bars on Estate and Family Estates

Tyres

185 SR 14 reinforced

Rack and Pinion Steering

Safety steering column in two sections connected by a universal joint
Anti-theft steering column lock
Turning radius between walls: 5.70 (approx. 18 ft. 7 in)

Disc brakes

on front wheels, drum brakes at rear
Hydraulic control with Mastervac assistance
Lights for hand brake and brake fluid level
Hand brake acting on rear wheels
